## Outdoor Table Tops

Made from aluminium, these stylish tabletops are highly resistant to corrosion, rust and impact damage - ensuring that they stay in as-new condition throughout many services to come. They're suitable for use both indoors and outdoors - great for moving diners outside when the weather starts to brighten-up.

# Complete Tables

# Artisano.

These complete tables are perfect for any indoor space and provide a durable, easy to clean surface for everyday use. The high pressure laminate table tops with ABS protective edging are resistant to scratching and staining, making them a practical choice for high traffic areas. The selection of colours allows you to choose a table set that fits in with your existing decor, or to add a splash of colour to your space.
